

What?

We are delighted to invite you to the **policy workshop of the Clean Shipping Project Platform** ([CSHIPP](#)), funded by Interreg Baltic Sea Region .

Why?

CSHIPP brings together **projects** and **organizations** focused on **enhancing clean shipping** in the Baltic Sea Region. The objective of CSHIPP is to **increase the impact** of projects by connecting the dots and developing a regional focus and common drive. One of the tasks within CSHIPP is to **influence policy** and **policy makers** by clearly elaborating the results of the different projects involved.

A workshop is an **efficient solution** to jointly discuss the needs and next steps towards developing future HELCOM recommendations in the Baltic Sea Region.

Who?

Public sector institutions and **governments**, **maritime business** stakeholders as well as **civil society** (NGOs) are invited to the workshop. The contact persons of HELCOM MARITIME Sub-group on Green Technology and Alternative Fuels for Shipping (GREEN TEAM) as well as HELCOM MARITIME Group are also invited. The workshop is by invitation only.

When and Where?

The policy workshop will be held back-to-back with the [Shipping & Environment Second Conference](#), on Wednesday 4 September 2019 at the Wallenberg Conference Centre, in Gothenburg.

The registration will open at 8:30, with coffee, and the workshop will begin at 9:00. The workshop will end at 11:30 with a lunch provided for the participants (11:30 – 12:30).

On the same afternoon, the Shipping & Environment Second Conference will begin with a Symposium on Scenarios and Policy Options for Sustainable Shipping.
